SLM412C

14" Color Video Monitor

security labs

Features

- Commercial grade 14" color CRT
- Automatic detection of NTSC or PAL video signals for global applications
- 420 lines of resolution at center
- Video input signal: 1 Vp-p composite video
- Scanning system: EIA 525 lines, 60 fields/sec.
- Audio input with rotary control
- Audio and video looping outputs
- Switchable input impedance
- Power requirements 100 to 240VAC 50/60Hz
- Power consumption: 40 W
- Monitor weight: 31 lbs
- Dimensions: 14.25"D x 12.52"W x 14.80"H
